

Payment Milestones Overview Client Onboarding

Onboarding FEE

It sounds like you are looking to set up or pay for an onboarding fee or service using two installments. This is a common request, especially for high-ticket software, service agreements (like MSPs), or marketplace setups.

Payment Milestones:

Pick up Chart Fee : Full payment

Single time Payments at 1 time with Service they select from chart for 30 days and 14 days compliments FREE Service

Software Development & Digital Marketing subscription Plans

Installment 1 (Upfront):90%

Occurs when the Kick-off meeting is completed to support the initial workflow and service setup. Paid at the start of the onboarding process to cover initial administrative costs, documentation, and account setup.

Installment 2 (Post-Go-Live): 10%

Occurs during Go-Live and service handover to provide final completion and post-launch support.
